

Bob Bicknell-Knight
Relic I, 2018
Universal mount holder, artificial grass, SIM card
50 x 20 x 20 cm
Unique

An artwork that envisions human beings reverting backwards into primitive life forms after unknown events occur. Within the work artificial grass has overridden a phone mount, with the Primecoin symbol from the past having been scratched into a SIM card.

Relic I (freestanding), 2018

Aluminium modular system, screws, universal mount holder, artificial grass, SIM card

160 x 35 x 35 cm
