Art Night London and Daata Editions are thrilled to present Beyond the Door, an exhibition of newly commissioned artworks curated by Bob Bicknell-Knight for Daata Editions.

Screened as part of Art Night at Everyman on the Corner in London's Kings Cross June 22, the exhibition features artists Bob Bicknell-Knight, Peter Burr, Kara Gut, Tomasz Kobialka, Cassie McQuater and Georgie Roxby Smith. The videos and moving image works consider the gamified reality of the present and the simulated environments that are encountered within virtual spaces.
