Disguised Office Infrastructure (Speaker mount), 2019  
Speaker mount, artificial grass, spray mount  
22 x 11 x 32 cm  
Unique

An artwork that envisions human beings reverting backwards into primitive life forms after unknown events occur. Within the work artificial grass has overridden a phone mount, with the Primecoin symbol from the past having been scratched into a SIM card.

Relic I (freestanding), 2018

Aluminium modular system, screws, universal mount holder, artificial grass, SIM card

160 x 35 x 35 cm

Unique
